**Subject:** RE: TRNS NOA and 343 Distribution Logistics

Jesse, Yes, let's talk today. I am available 9-11 and 1-4 pacific. I am acting for Leslie today, but will prioritize time for this discussion.

In particular, I would like to confirm FTA's decision regarding the layout for the signature pages. As we discussed on the call Tuesday, we would like a signature page for NEPA and related federal requirements signed by FTA, the City and other agencies. There should be a separate HEPA page to be signed by the City.

Is there any issue with this approach? Are there other issues for discussion prior to finalizing the document?

Thanks, Renee

Hello, Renee,

I wanted to be sure that FTA understands the HEPA submission and distribution requirements the City is trying to accommodate, and answer any questions you might have. Please let me know when is a good time to call you tomorrow.

I leave for Seattle tomorrow night, but will be available by phone and email on Friday; however, I would like to square this away tomorrow if possible.

Thank you for your time.

Sincerely,

Jesse K. Souki
